Our guest speaker this month is our dear friend **Linda Ulisse Sousa** who has been invited to offer a personal witness of what life was like before Cursillo and how it is now after the Cursillo experience. Come support our dear friend!

All parishioners are invited to come and share in this monthly evening of praise and worship. Please feel free to invite a friend to join you!

Seventeenth Annual Project Warm & Fuzzy

There are boxes at the entrances of the churches where you may drop off **new** hats, mittens, gloves, scarves and socks (for children, babies and adults) until November 19th (the Sunday before Thanksgiving). These articles will be distributed to the needy during the winter months.

Dear friends,

It is with regret that I announce the conclusion of my work as Music Director at St. Monica and St. Lucy Parishes, as of the end of October.

As many of you know, this past year has been full of great challenges and stresses in the life of my family. The death of our beloved son Thomas (23 years old) in June, was followed by the prolonged hospitalization/rehab of my elderly mother in Chicago. In the month of September, we helped her to move into our house here in Massachusetts; while being a challenge this has also been a source of joy for all of us.

In the midst of all these difficulties, my wife and I continue to marvel at the way in which God has poured his grace into our lives, and helped us to see these events in the light of faith. And words cannot express the way in which your love and prayers, along with those of our other friends, have brought strength and deep consolation to our hearts!

Nevertheless, my wife and I have had a growing sense of urgency for me to be more present to our family, as we continue to go through this period of mourning and adjustments. And this is very difficult to do while fulfilling my duties here in Methuen (a 40 mile commute each way), which require me to be away from home every weekend and every holy day, as well as during the week for funerals, meetings, etc. throughout the year.

I am so grateful to have had the opportunity to serve as your Music Director over these past 4+ years, and for the privilege of working with Fr. Lohan and all the staff.

Please keep me in your prayers, as I keep you in mine!

Yours sincerely,
Paul Jernberg

Please pray for **Dr. Raymond Cormier** and **Fr. Robert Maloney** whose Funeral Masses were recently celebrated at our parishes. May their soul and the souls of all our faithful departed rest in peace.

The Increased Offertory Campaign MOVING FORWARD

As you know, our parishes are now involved in the Increased Offertory Campaign. In recent weeks, we have been preparing for the Program by recruiting volunteer leadership, updating parish records and producing program materials. Soon all members of St. Lucy and St. Monica Parishes will be invited to participate in the Increased Offertory Campaign. We hope you will respond positively and with generosity.

This week you will receive a letter from Father Lohan describing the Increased Offertory Campaign and how our parishes will benefit. It is an opportunity for all of us to take an active role in the growth and stabilization of our parishes and for each parishioner to practice the principle of stewardship — giving back a portion of our blessings to God.

On November 19, each parishioner will be asked to make a commitment to evaluate and increase — if they are able — what they give to the parish's weekly offertory collections. Please pray about your participation in this important effort.

Electronic Giving Is Here...

Have You Signed Up Yet?

- It benefits you and our parish!
- Enrollment is friendly and trouble-free.
- Never worry about forgetting to bring money to church again

Please visit our website to learn how using Our Sunday Visitor will provide you with an efficient and secure way to support the parish.

Our Kindergarten class visited the fire station on Thursday, October 12. They brought our firefighters some home made cookies to thank them!

The Early Childhood Program at St. Monica School enjoyed a trip to Italy with the taste and smell of pizzelles!

The students made the pizzelles, coated them with powdered sugar and had them for snack.

This is all part of the preschool social studies program where the students travel to a different country each month. They travel by plane (set up in the school hallway) and have to show their passports to get stamped and get their boarding passes, and watch a video of takeoff, flying and landing on their smart board. They travel to the country and on different days study the language, food, customs and other facts about the country they are visiting!
