WEEKEND **SAT** 4 pm (Vigil) both parishes **SUN** 9 and 11 am St. Monica, 10 am St. Lucy

“SUMMER 2020!”

That was the motto I used with the staff when I first got here in July of 2018. My hope was that we would work really hard for two years to improve and stabilize the life of the parishes-- from worship, to faith life, to facilities, to finances and staffing-- so that we could operate at a level of excellence expected from a fine-tuned motor. In this way we would very effectively meet the needs of people while maintaining a healthy, faith-filled life of holiness for everyone--priests to parishioners.

“Summer 2020” seems to have turned into “The Year That Never Started.” Someday in the future, when we look back on this time, my guess is that we will think less of how we responded to this trial and think more about how it affected the longterm life of our society, kind of the way one considers the historical impact of the Depression or WWII. My prayer is that negative impacts (like mask mandates) will be minimal and that positive ones will develop--such as returning to Sunday as a day of rest and family instead of another day for consumerism or the frenetic pursuit of career, school, or sports activities.

As I've mentioned in recent bulletins, we are still striving to make improvements in parish life. Also, you'd be proud to know that our school staff has set the standard for in-person education in this difficult environment. Nevertheless, for any number of causes, 2020 has brought many of us to a personal, professional, or community (including the parish) transition. For example, if you haven't seen me on a recent Sunday, it's because I am treating a minor (though delicate) back injury with the expectation of a solid recovery soon. I guess I “overdid it” in the hands-on improvement approach. It's a reminder that we should occasionally re-examine our pace in life, whether we recognize ourselves to be on too fast a treadmill, or that we have used this odd time in history to re-evaluate our life priorities, or that we have just plain reached a different chapter in life.

To make the parishes work well requires a lot of moving people and parts, some that are different now than just six months ago. I want to thank everyone who has stepped up to the plate, such as our deacons and all our volunteers, for taking on a different role than would be expected in more normal times. Your commitment is beyond appreciated and your contribution beyond critical, even if you yourself think it minor. May the Lord bless all by keeping us healthy and happy as He sees us through this ongoing, difficult time.

POPE JOHN PAUL II'S LETTER ON THE ROSARY - FORMED NOW!

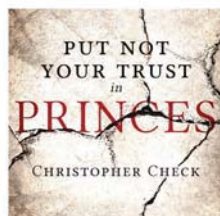

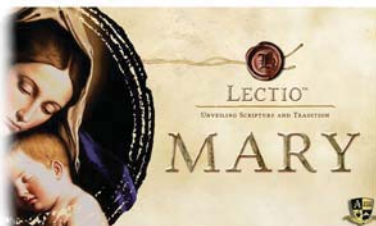

To close out October, the month dedicated to the Most Holy Rosary, enjoy this discussion between Dr. Tim Gray and Lucas Pollice on St. John Paul II's letter on the Rosary. This wonderful discussion will help draw you deeper into the mysteries of Christ meditated on in the Rosary.

LEARN

LECTIO: MARY

Why is Mary so important to Catholics, and why have so many people been devoted to her over the centuries? Dr. Brant Pitre, Professor of Sacred Scripture at the Augustine Institute Graduate School, examines what the Old and New Testaments, the life of Christ, and the early Church Fathers reveal about the life and identity of Mary.

PUT NOT YOUR TRUST IN PRINCES BY CHRISTOPHER CHECK

Speaking from his perspective as a historian, Christopher Check reminds us that the crisis of our age is cultural and, in the end, spiritual. He explains that a flourishing society is not achieved through legislation or at the ballot box, but instead radiates from the family out.
